MARK VALUES AND QATARI VALUES ARE AT THE
HEART

Dear Parent,

Greetings from the Admissions Department of DSGD

Thank you for your interest in Durham School for girls Doha, we are pleased that you are keen to join our Durham Family.

Note: Please make sure that when you fill out the application, all necessary documents are uploaded. If this is not the case, you will be required to send the documents to our Admissions email at dsgdadmissions@durhamqatar.com

We do only have limited places in some year groups so please be informed that we will check availability on a regular basis and contact you once seats become available.

An application does not guarantee a place.

Documents Required: All documents must be the latest and updated versions. If any document becomes out of date, you are required to send a copy of the renewed document to our email at dsgdadmissions@durhamqatar.com.

<i>Document Checklist</i>

Admission Steps:

After receiving an application and checking seat availability in the corresponding Year Group, parents will be notified to arrange an appointment at the school for interview and assessment.

Note: Girls applying for EYFS 1 or 2 must be independent in going to the bathroom. If during the first week or so, it is evident that this is not the case, the place may be withdrawn.

Interviews & Assessment / Offer / Accept Offer / Seat reserved.

Girls will be called for an interview & assessment. This will be an assessment that ensures that the girls are able to access the British curriculum and set a base line for future assessments. For the older girls (Year 2 and above), this will be a reading age assessment and a CAT 4 test. These tests will be taken at scheduled sittings at the school. For younger years, the assessment is to take a baseline and to make sure that they are school ready. This assessment is based around play activities, sociability, and independence, reading, writing and a general getting to know you conversation.

After the interview and assessment, the Academic Admissions Lead for Primary or Secondary will analyse the results. If there are any concerns or it is felt that DSGD is not the right school for the applicant, parents will be notified. If the student has been successful, parents will receive an official offer letter from the Admissions team within 2 days of interview and assessment.

Parents have 7 days from receiving the offer letter to formally accept the place and complete all payment requirements to register their daughter(s) in DSGD.
